

Where Do You Stand?

The chart below shows the range or tiers of pledge amounts and how many pledges are in each of those tiers for this current fiscal year (FY23, June 1 2022 to May 31, 2023). Unfortunately, as you can see, the largest pledge tier is \$0 (i.e., NO PLEDGE). With 115 total pledges received, the top 20 givers accounted for over 45% of the total amount pledged. The top 44 givers at the \$3,000 and above pledge tiers, accounted for 75% of the total amount pledged. Even though not all of us are able to support the church at these high levels, each and every pledge is still very important, appreciated, and contributes to the total income of the church.

Where do you stand in these giving tiers? Can you possibly do more for this upcoming new fiscal year (FY24)?

Please do your best to make your pledges by May 19th with a call or email to Andrea (phone/email) or click here <https://www.ccamherst.org/stewardship-pledge/> to our giving page. The annual Church Congregational Meeting will be held on May 21th.

Thank you from the Stewardship Team

Linda Lannin, Ingrid Michaelis, and Doug Topliffe
